

ABM1 TASK 1 MOBILE APPLICATION DEVELOPMENT

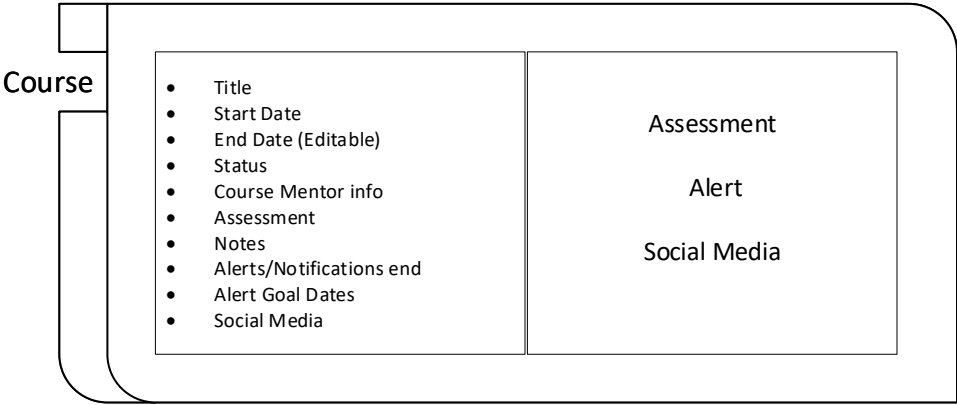

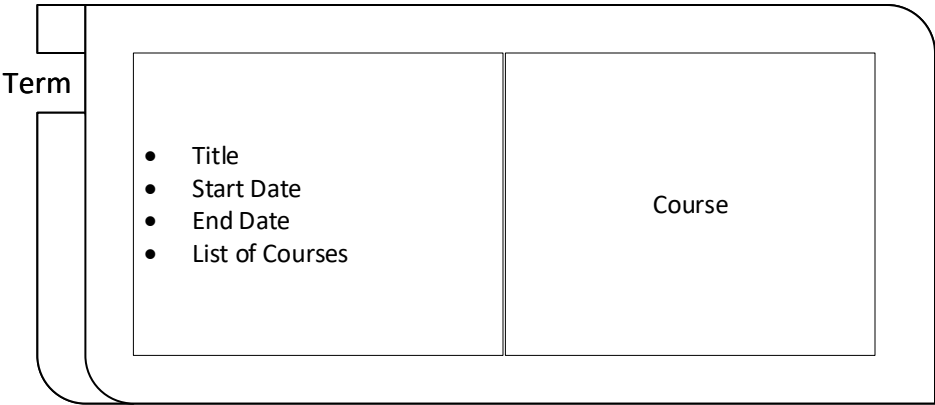

You will develop a **multiple-screen mobile application** for WGU students to **track** their **terms**, **courses associated with each term**, and **assessment(s) associated with each course**. The application will allow students to **enter, edit, and delete** term, course, and assessment data. It should provide **summary and detailed views of courses for each term** and provide **alerts for upcoming performance and objective assessments**. This application will use a **SQLite database**.
